XV International Scientific Conference "High-Tech in Chemical Engineering-2014»

School-conference on chemical engineering

22 – 26 September, 2014, Moscow region

Chair of Organizational Committee

Dr. Sc. (Tech.), Prof. Frolkova A.K. — **Rector of MITHT**

Dr. Sc. (Tech.), Prof Bykov D.E. — **Rector of SamGTU**

Dear Colleagues!

Lomonosov Moscow State University of Fine Chemical Technologies, Samara State Technical University, the Ministry of Education and Science of the Russian Federation invite you to **XV International Scientific and Technical Conference "High-tech in Chemical Engineering – 2014"**, which will take place on **22 – 26 September, 2014, Moscow region** at the **Educational and health complex "Lake in the Forest", Moscow Region**.

Leading chemical engineers from all around the world will participate in the **"High-tech in Chemical Engineering – 2014"**. The Conference will deal with modern chemical technologies principles development, ecological and economical problems arising in front of chemists, as well as with the problems of training of high-qualified specialists in the field of chemical engineering.

Scientific Program of the Conference

Plenary Lectures (25 and 40 min).
Oral reports (up to 20 min).
Poster section and **Round table**

Conference Sections

1. Theoretical foundations of Chemical Engineering ***(nht14s1@mitht.ru)***
2. Technologies of deep petroleum refining and organic substances preparation ***(nht14s2@mitht.ru)***
3. Chemistry and technology of medical products and biologically active compounds ***(nht14s3@mitht.ru)***
4. Technology of obtaining of inorganic materials ***(nht14s4@mitht.ru)***
5. Polymers and polymer-based composites – technological principles and methods of synthesis, modifying and processing ***(nht14s5@mitht.ru)***
6. Solutions of ecological and economic problems in Chemical Engineering ***(nht14s6@mitht.ru)***

The Abstract should be prepared in ready for print form according to the rules listed in Appendix. Each author can present no more than 2 abstracts. Texts of **Plenary Lectures** (up to 2 pages) and **Reports** (1 page) should be assigned to the Conference via section e-mails (stated above) **no later than 15th of May 2014.**

Important Dates

Registration of participants to the Conference (website): till the 1st of April 2014
Abstracts are accepted till 15th of May 2014
Conference and accommodation fee payments till 15th of June 2014
Program is available starting from 15th of September 2014
Registration is available on: **www.nht2014.ru**

Conference Fee

Conference fee for active participant is 250€ (for students and PhDs - 100€ and accompanying person is 100€). It includes printed program, book of abstracts, translation support, cultural program, conference welcome party and coffee breaks. For virtual participation – 100€. Bank details will be available on the Conference web-page after 15 of March 2014. Fee should be transferred to the Conference bank account no later than 15th of June 2014.

Price for 1-page advertisement in printed program/the book of abstracts is equal to 250€.

Accommodation

Educational and health complex "Lake in the Forest" belongs to the biggest Financial University under Government, it is located in Solnechnogorsk zone, Moscow region in the most picturesque and ecological area.
"Lake in the Forest" offers their quests comfortable conference halls, equipped with modern computer technologies, as well as swimming pool, sauna and quiet and peaceful rooms of various categories:

Single room, economy *(for students and PhDs only)*	150 € per 5 days + meals
Single room, standard	225 € per 5 days + meals
Double room, standard	375 € per 5 days + meals

Cultural program

Participants are invited to visit historical landmarks nearby "Tchaikovsky house" and Klin town, where historical and architectural museum "New Jerusalem" is placed (the territory of New Jerusalem monastery, museum was founded on 1920).
